

**DATE:** May 21, 2015

## **Westman Dreams for Kids Country Fair Featuring the DASH Tent is set for Sunday, May 31**

The Westman Dreams for Kids Country Fair featuring the DASH Tent will take place Sunday, May 31 at the Kirkcaldy Heights School Grounds. This is the biggest “free” fair for children.

The Country Fair is packed full of fun activities featuring live entertainment, kids obstacle course, face painting, hay rides, mini car town, and some bouncy inflatable fun!

Dudley’s Ambulatory Surgical Hospital (DASH TENT) will once again be a “special feature” of the Country Fair. Children of all ages can bring their favorite stuffed animal to this hospital-like setting for treatment and care by Prairie Mountain Health (PMH) and lab staff. It is a great way to educate families about PMH services, procedures/equipment and promotes healthy living in a friendly and fun way.

The event runs from 10 a.m. to 4 p.m. at the Kirkcaldy Heights School grounds located next to the Sportsplex at 10 Knowlton Drive in Brandon.
