## Winnipegosis Services Notice

Winnipegosis and District Health Centre and Prairie Mountain Health (*Emergency Medical Services*) congratulates the community of Winnipegosis on its Centennial Celebrations.

They want to remind all those attending the Winnipegosis Centennial Celebration July 8-12, including the Snowbird show on July 8, 2015 that the Winnipegosis and District Health Centre acute, emergency room and clinic services remain closed due to physician resource shortages.

Individuals requiring medical services are advised to access open health care facilities in Dauphin, Ste. Rose or Swan River.

For any Emergent situations, please contact Emergency Medical Services at 911 or 656-4911. For non-emergent situations, or for individuals who require advice from a Registered Nurse, please call Health Links at 1-888-315-9257.
