

Dr. John Wade Patient Safety Initiatives Grant

Dr. Wade was instrumental in the creation of the Manitoba Institute for Patient Safety and in his honour MIPS established an award in his name in 2005, to recognize local excellence in the important work of patient safety

Whether you are part of a MIPS member organization, a school, a seniors' group, a hospital auxiliary, a community organization or a professional association – your ideas are welcomed!

Get Involved in Patient Safety!!

THE MANITOBA INSTITUTE FOR PATIENT SAFETY (MIPS)

is looking for

Proposals for innovative projects which improve patient safety!

Patient Safety actions taken to:

- Prevent harm to the people receiving healthcare services or
- Educate the public on how to be informed healthcare consumers

Proposals should contain the following criteria:

- raise public awareness and knowledge about patient safety
- contribute to the growth of the patient safety culture
- be innovative
- be creative
- inspire community action

There are funds available for successful applicants through the *John Wade Patient Safety Initiatives Grant*
