

PRAIRIE MOUNTAIN HEALTH

Request for Proposal

Roof Inspections on Various Facilities throughout Prairie Mountain Health

2023-019

Prairie Mountain Health

PMH is requesting proposals from qualified contractors to complete audit/preventative maintenance work on various pitched and flat roof systems through out the region.

Please See Attached Facility Listing

Scope of Work Included in Proposal:

- 1. Complete an assessment of each facility roof**
- 2. Detailed report identifying major/minor issues for each facility including photos and budgetary numbers of what is required.**
- 3. Reports shall include a five-year forecast of repairs/replacement**
- 4. Repair minor issues and clean debris from around roof drains, scuppers and eavestrough to a maximum amount set by PMH**
- 5. A sample of a completed roof report must be added to proposal**

Please indicate individual pricing (including Taxes) on the facility listing sheet
