

THE EMPTY CHAIR CAMPAIGN

August 31

International Overdose Awareness Day

2023's Empty Chair Campaign is "recognizing those who go unseen," raising awareness of the hidden impacts of overdose.

With empty **purple** chairs we honour the people whose lives have been altered by overdose: family, friends, workers in healthcare and support services, spontaneous first responders, and many more.

How to participate

- Paint a chair purple and decorate with a poem, bows, stickers etc.
- Display the chair in your garden, yard, or special place.

Remember, without stigma, those who have died and acknowledge the grief of family and friends left behind.
