

Mental Health First Aid CANADA

For Adults Who Interact with Youth

Mental Health First Aid (MHFA) Canada **For Adults who Interact with Youth** is a two-day, 14-hour workshop that teaches first aid skills to adults, to help youth developing a mental health problem or is experiencing a mental health crisis.

Who should take MHFA?

Anyone can benefit from MFHA. It is open to all members of the general public, families affected by mental illness, teachers, health service providers, emergency workers, frontline workers, volunteers, managers, employers or community groups.

Participants will learn:

- ✓ To recognize signs and symptoms of common mental health problems and crisis situations
- ✓ The basic actions for mental health first aid
- ✓ Information about effective interventions and treatments
- ✓ How to access help and resources
