

# PARTICIPATION BOOSTER IDEAS!

## INTRODUCTION

Sometimes it's hard to fit all these extra things in so we wanted to add a little fun to the mix with some school challenge ideas! These school challenges are intended to enhance engagement with students, families and teaching staff.

Take a look at how it works below and feel free to contact us if you have any questions:

Rural PMH: Tara Smith, PMH Health Promotion Coordinator - tsmith@pmh-mb.ca / 204-328-6215

Sherrill-Lee Hyra, PMH Health Promotion Coordinator - shyra@pmh-mb.ca / 204-578-2192

Brandon School Division: Nikki Dean, PMH Health Promotion Coordinator - ndean@pmh-mb.ca / 204-578-2194

## HOW IT WORKS

- Pick a challenge from the list below (or use your own challenge idea)
- Pick what the winning class will receive for winning such as: an extra long recess, popcorn party, a special congratulations on announcements, or an in town low/no cost field trip
- Get everyone involved and complete the challenge
- Pick the winning classroom in your school
- Send us a picture or email about your challenge. We love to hear what schools have been up to and we can keep you informed of new and improved Project Reset material! We can also help share your fun and innovations with other schools (optional).

## SCHOOL CHALLENGE IDEAS:

- Classroom that completes the most Family Media Plans (suggested for K-grade 4) – a great way to get parents involved!
- Best classroom collage, poster or video
- Door decorating contest – decorate classroom door with messaging to help find digital balance and/or stay safe on the internet
- Best Project Reset related art display – classroom or hallway bulletin board
- Screen free lunch time - which class can go the longest with screen free lunches *and* be the best behaved

*If your whole school does not want to participate, that's ok! Pull together with a few other classrooms and make it fit for your particular school. Perhaps it's just the grade ones and twos or maybe you go head-to-head with the other grade 3 class!*

*Whatever works to boost participation and have fun in your school works for us!*
