Patient Values - How are we doing?

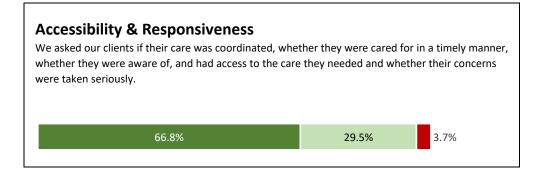

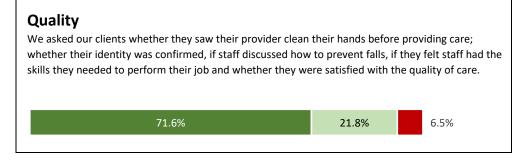

Prairie Mountain Health uses feedback from Client Experience Questionnaires (CEQs) to ensure that the people we serve have a voice in the care they receive and to also help direct quality improvement initiatives. The CEQs are based on the regions Declaration Of Patient Values (DOPV). Results from the programs services listed are shown below. These are updated quarterly to include CEQs completed since the last report. This report is based upon 6,447 surveys. *Last updated 13th August 2024*

Programs included in these results are: Therapy Services, CDEP, Hemodialysis, Flu Clinic, Mental Health (IP And Community), Nurse Practitioners, Pediatrics, Long Term Care, Pain Clinic, Emergency Department, Diagnostic Services, EMS, 7th Street HAC, Cancer Care, NICU, SRMC, Surgery, Midwifery, Mobile Clinic, Rivers Rehabilitation, Supportive Housing, My HealthTeam, ICU, Maternity and Home Care
